HEY JUDE / REVOLUTION

Original Release Date: August 1968

Original Cat. No.: PARLOPHONE DP 570 / APPLE DP 570 for 2nd pressings

Original Label: Black "UK" Parlophone /2nd pressings on Apple

Comments: Like in many countries outside of the UK and USA, original pressings of the single still appeared on Parlophone (or Odeon, for that matter). Only 2nd pressings came on the new Apple-label. Presumably that was the reason, why the original catalogue-number of the UK export-version (issued on Parlophone as well) was used here. It was then adopted also for the "Apple-edition". The Spanish edition of "Get Back" was issued with the very same sleeve-design.
