EP "VOL.7" (She Said Yeah/ Blue Turns To Grey/ Talkin' 'Bout You/ The Singer Not The Song/ Look What You've Done)

Original Release Date: November 1969

Original Cat. No.: LONDON LS 226

Original Label: Black London "elite"

Comments: For a change, this EP included five songs! They all dated back to 1965. Two of them (She Said Yeah/ Talkin' 'Bout You) were originally included on the UK version of "OUT OF OUR HEADS", the other three were either exclusive US LP tracks (Blue Turns To Grey/ Look What You've Done) or only issued on a UK B-side (The Singer Not The Song) before. The cover artwork was a colourful re-working of the "OUT OF OUR HEADS" LP sleeve.
