the Rolling Stones

HAVE YOU SEEN YOUR MOTHER, BABY, STANDING IN THE SHADOW/ WHO'S DRIVING YOUR PLANE

Original Release Date: November 1966

Original Cat. No.: DECCA F 12497/ DECCA 45-F/JB 12497

Original Label: Blue curved Decca/ White curved Decca for juke-box edition

Comments: The original front cover picture of the US edition of the "AFTERMATH" LP underwent additional psychedelic treatment for the especially nice singles sleeve here. Like in other countries, the famous "drag-photo" that the Stones had used for advertising their new single in British music magazines, was used on the rear of the sleeve.
