

WE LOVE YOU/ DANDELION

Original Release Date: August 1967

Original Cat. No.: DECCA AT 15051

Original Label: Blue open Decca 2

Comments: A very stylish cover was designed for this single. It was the last Dutch Stones 45 that was originally issued with open Decca labels. The company's name was caught and caged in a rectangled box from late 1967 onwards in an attempt to make all the Decca labels worldwide look like the British ones.
